

LA Lead Effect Porch Top

Features - Modern design, simple canopy, easy to fit, ideal for height restricted properties, available with a white or brown soffit and slate grey roof.

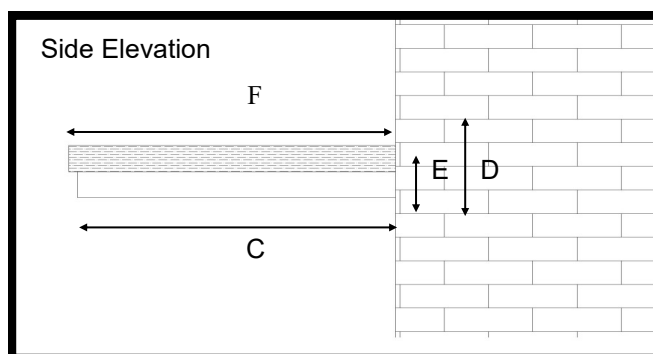

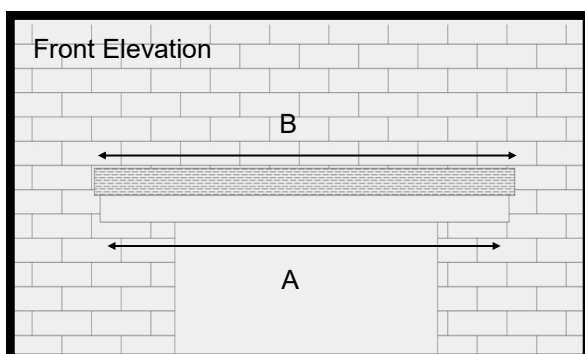

When ordering, please confirm if you are happy for the rain water to run off all 3 sides or if you would like a water retention ready to have a rain pipe fitted, if so please confirm the position required for the outlet

With water retention with outlet for rain water pipe

Solid Roof—water will run off all 3 sides

For sizes and dimension of canopies available refer to table below.
